

Content Acquisition Aggregation and Distribution

Your one stop shop for multicultural content

An end to end media service targeting TV operators / Platforms, that includes:

They trust us

Broadcasters

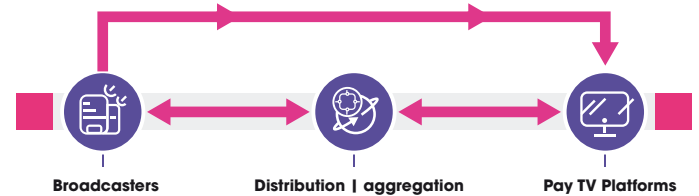

Pay Tv Platforms

What we do

We lean on Globecast technological infrastructure (global satellite and fiber network, 12 Teleports, 4 Media Centers, 14 Offices on 12 Countries) to support our partners. We help **Broadcasters** distribute their content more widely and we help **Pay TV Platforms** enrich their TV offers.

We offer a wide range of TV Channels Packages* around different communities:

Arabia package

Maghreb package

Lebanese package

Muslim package

Pakistan package

Bollywood package

You can also create your own **TV package** adapted to your needs, selecting among our **150 TV channels**** on various thematic :

General | News | Sports | Movies/TV Series | Entertainment | Kids | Music | Religious

*See details of TV packages and TV Channel Portfolio in the annexe slides at the end of the presentation

**subject to distribution rights availability on your territory
